BROOKLYN 36 TRIPLE CALENDAR

USER GUIDE

WELCOME

THE BROOKLYN 36 TRIPLE CALENDAR

Modest in size, robust in build and elegant enough for every day: a 36 mm steel case with a sunburst pie-pan dial and a triple calendar that shows the day, the date and the month.

Inside beats the Miyota 9122, a self-winding movement with a complete calendar. This guide covers what you need to wear, set and look after your watch.

AT A GLANCE

YOUR WATCH

1	Hour hand · luminous
2	Day subdial
3	Seconds hand · stops for setting
4	Pie-pan dial · sunburst
5	TPU strap · 20 → 16 mm
6	Minute hand · luminous
7	Crown · winding, day, date, time
8	Month subdial · hidden pusher at 2
9	Date window

WINDING & SETTING

MONTH

Set the date and time first, then press the hidden pusher at 2 o'clock with a toothpick.

0 · WINDING

Worn daily, the watch winds itself. If it has stopped, turn the crown clockwise at least 25 times.

1 · DAY & DATE

Pull the crown to the first notch. Turn it counter-clockwise for the day, clockwise for the date. Avoid setting the date between 21:00 and 03:00.

2 · TIME

Pull the crown to the second notch; the seconds hand stops. Turn it either way. If the date changes as the hands pass 12, it is midnight.

Push the crown back to 0 after setting — only then is the watch water resistant.

WATER RESISTANCE & CARE

WATER RESISTANCE · 5 ATM

Rain, splashes, hand washing and a swim in shallow water are fine; the watch is not made for diving. Push the crown in before the watch meets water and never operate it under water. Avoid hot showers, saunas and steam.

CARE

Clean the case with a soft cloth, or with fresh water and a soft brush. Keep the watch away from perfume, chemicals and strong magnets – magnets can make it run fast.

STRAP

The TPU rubber strap has a lizard pattern and tapers from 20 mm to 16 mm.

CALENDAR

The calendar counts every month as 31 days: after a shorter month, move the date on to the 1st.

TECHNICAL SPECIFICATIONS

DIAMETER	36 mm
THICKNESS	11.1 mm; 12.6 mm with crystal
LUG TO LUG	46 mm
CASE	316L steel, satin-brushed, polished chamfers

MAEN SERVICE

WARRANTY & SERVICE

WARRANTY

Two years from the date of delivery, on manufacturing defects of the movement, case and crystal. The warranty stays with the watch: a next owner is covered for the rest of the term, as long as we have the original order number.

NOT COVERED

Knocks and drops, water or fire damage, magnetisation, normal wear, and repairs or modifications we haven't approved.

SERVICE

As long as the watch runs well, it needs no service; a full service is typically due every 5–8 years. Request every repair through the service form on maenwatches.com. Under warranty, we cover insured shipping both ways, and a repair never shortens the warranty.

QUESTIONS

support@maenwatches.com – we aim to reply within two business days.
