LUNAR CLASSIC 36

USER GUIDE

WELCOME

THE LUNAR CLASSIC 36

Our very first watch, in 2017, was a moonphase — and Maen means "moon" in Old Dutch. The Lunar Classic 36 returns to it as a refined automatic, with long lugs inspired by the 1940s, a high-polished bezel and a multi-layered dial.

Inside beats the Sellita SW280-1 in Top Grade, a Swiss Made self-winding movement with a moonphase. This guide covers what you need to wear, set and look after your watch.

AT A GLANCE

YOUR WATCH

1	Bezel · high-polished
2	Hour hand
3	Indices · raised, polished
4	Seconds hand
5	Tropic strap · 20 → 16 mm
6	Minute hand
7	Crown · winding, moonphase, time
8	Moonphase
9	Multi-layered dial

WINDING & SETTING

0 · WINDING

Worn daily, the watch winds itself. If it has stopped, turn the crown clockwise at least 25 times. Fully wound, it runs for around 40 hours.

1 · MOONPHASE

Pull the crown to the first notch and turn it counter-clockwise to set the moonphase.

2 · TIME

Pull the crown to the second notch and turn it either way to set the hours and minutes.

Push the crown back to 0 after setting – only then is the watch water resistant.

WATER RESISTANCE & CARE

WATER RESISTANCE · 5 ATM

Rain, splashes, hand washing and a swim in shallow water are fine; the watch is not made for diving. Push the crown in before the watch meets water and never operate it under water. Avoid hot showers, saunas and steam.

CARE

Clean the case with a soft cloth, or with fresh water and a soft brush. Keep the watch away from perfume, chemicals and strong magnets – magnets can make it run fast.

STRAP

The custom tropic strap tapers from 20 mm to 16 mm.

TECHNICAL SPECIFICATIONS

DIAMETER	36 mm
THICKNESS	9.8 mm; 11.35 mm with crystal
LUG TO LUG	44 mm
CASE	316L steel, polished bezel, satin-brushed lugs

DIAL	Circular-brushed centre, sandblasted moonphase and chapter ring
COLOURS	Cream White, Midnight Blue, Salmon, Graphite
STRAP	Tropic, 20 to 16 mm

MAEN SERVICE

WARRANTY & SERVICE

WARRANTY

Two years from the date of delivery, on manufacturing defects of the movement, case and crystal. The warranty stays with the watch: a next owner is covered for the rest of the term, as long as we have the original order number.

NOT COVERED

Knocks and drops, water or fire damage, magnetisation, normal wear, and repairs or modifications we haven't approved.

SERVICE

As long as the watch runs well, it needs no service; a full service is typically due every 5–8 years. Request every repair through the service form on maenwatches.com. Under warranty, we cover insured shipping both ways, and a repair never shortens the warranty.

QUESTIONS

support@maenwatches.com – we aim to reply within two business days.
